# MARSHFIELD RECREATION COMMISSION

The Recreation Commission is comprised of Marshfield residents, seven full members and two alternates, who are appointed by the Marshfield Board of Selectmen. The Commission is a policy and active board responsible to the town for providing year-round, high-quality indoor and outdoor recreation activities for town residents. The Commission meets regularly to review policy, programs and procedures. Community attendance and input regarding programs and facilities are welcome! The Recreation Commission welcomes volunteers who are interested in promoting the planning of programs for all Marshfield residents. Call us at (781) 834-5543 to see how you can help!

So what does this really mean and what am I getting my self into? The Commission typically meets one Wednesday night per month. The meetings are scheduled to start at 7:00 p.m. and the goal is to complete all business by or before 9:00 p.m. At times the Commission may meet more often, such as if we attend a Board of Selectmen's meeting, or in preparation for the annual Town Meeting.

Commission members are welcome to help at our special events, such as the annual Easter Egg Hunt, Concerts on the Town Green, and Sand Castle/Sculpture Contest. Commission members may act as a liaison between our board and another town board such as Open Space or Community Preservation Committee. Members may attend a meeting and report back to the commission. Members are often a point of contact for residents as they may offer program suggestions. Members are appointed by the Board of Selectmen, typical terms are for a three year period. We have a good and varied board. Stop by one of the meetings and see us in action.

## **NOTE FROM THE DIRECTOR**

Hello Everyone,

My name is Craig Jameson. I took over as Recreation Director this past October for Ned Bangs who decided to retire after doing an amazing job for the town of Marshfield for 34 years! I look to continue Ned's quest on serving the community with fun and exciting programs for everyone. As we head into our 2017 winter programs, I would like to remind everyone that community input is very important to the Marshfield Recreation Center! We are always willing to listen to ideas about new programs or ways to improve already existing programs. Our goal is to serve and create various programs for ALL people in the community to participate in. Please stay tuned to what we have going on at the Recreations Department in the upcoming months and LIKE us on Facebook: [www.facebook.com/MarshfieldRecreationDepartment](http://www.facebook.com/MarshfieldRecreationDepartment).

Sincerely,

Craig Jameson

# MARSHFIELD RECREATION

## WHO WE ARE AND WHAT WE DO

- The Marshfield Recreation Department was established by Town Meeting in 1958 with the purpose of conducting and promoting recreation, play, sports, and physical education. The Recreation Department plans, organizes, promotes, and provides worthwhile leisure programs and facilities to serve the physical, emotional, and social needs of the residents of our community, regardless of one's ability.
- The Recreation Commission is comprised of Marshfield residents, seven full members and two alternates, who are appointed by the Marshfield Board of Selectmen. The Commission is both a policy and active board responsible to the town for providing year-round, high-quality indoor and outdoor recreation activities for town residents. The Commission meets regularly to review policy, programs and procedures. Community attendance and input regarding programs and facilities is welcome! The Recreation Commission welcomes volunteers who are interested in promoting the planning of programs for all Marshfield residents. Call us at (781) 834-5543 to see how you can help!

## DEPARTMENT OBJECTIVES

- Coordinate recreational activity with the school department, youth groups, youth sports programs, and senior citizens groups.
- Involve as sponsors of recreation special interest groups, business organizations, neighborhood groups, professional groups and news media who are interested in helping improve Marshfield.
- Better utilize and upgrade parks, ball fields, and conservation land.
- Better utilize, protect, preserve, and beautify Marshfield's beaches.
- Set up new programs as self-supporting and explore ways of generating additional revenue through grants, donations and fundraising.

## RECREATION STAFF

- Recreation activities are coordinated through our office staff, which is comprised of one full-time director and one part-time administrative clerk.
- The Recreation Department strives to hire the best-qualified individuals possible to staff and instruct our many programs. The Town of Marshfield performs background record checks on paid staff and program volunteers. Our department presently uses job applications, personal interviews and reference checks as part of our screening process. The C.O.R.I. will further assist us in screening prospective employees. In all instances we will do everything possible to provide a positive learning experience and offer a safe, secure environment for your child. The Recreation Department strives to offer community programs which are within budget limitations. All Recreation Department programs are self-supporting. The fees charged for programs cover the cost of operation of the program, such as instructor salaries and materials.
- Program instructors and part-time employees are hired on a seasonal basis. If you are interested in offering a program, please contact our office.

# SOMETHING FOR EVERYONE!

The Marshfield Recreation Department offers programs, trips and special events year round. Our Community Online Brochure is published seasonally and provides information on our Fall, Winter, Spring and Summer programs. Save time and Go Green by registering for programs on-line! To locate the brochure on our website, google Marshfield Recreation. Additional program information is published in the Patriot Ledger, and Marshfield Mariner. We use school notices, and post information at Shaw's, Denny's Barber Shop and Ventress Memorial Library and the Senior Link.

## **VOLUNTEERS / INTERNS**

Volunteers assist in the office and may help with phone calls, program inquiries, marketing, fundraising and the business aspects of the department. Our site at Coast Guard Hill has many outdoor opportunities for volunteers, including gardening, masonry, landscaping, grass trimming, etc. Consider sharing your time, skills and knowledge with your local recreation department. A few hours a week can make a difference! Students seeking community service hours or community groups/organizations or individuals are encouraged to discuss how they may improve community programs/facilities through partnerships.

One person *can* make a difference — *you* can make a difference!!

## **DON'T LET A GOOD PROGRAM DIE!**

Nothing kills a good program better than putting off registration until the last minute. All Recreation Department programs require a minimum number of participants to run successfully. Our programs require a high level of coordination including facility scheduling, staffing, and volunteer recruitment. Undersubscribed programs will be cancelled, but you will receive a full refund. So don't procrastinate — participate!

## **GIFT CERTIFICATES AVAILABLE!**
